5. Updates Regarding MPC Athletics (Wendy Bates)
  - Wendy shared that we have a lot of updates regarding MPC Athletics.
  - Our full-time, tenure track Football Coach and Kinesiology teacher has been selected as Ronnie Palmer, pending board approval in May.
  - Baseball, Softball, Track and Field and Golf are competing and doing well.
  - We continue to test for Covid-19 weekly, and it has been going well – we’ve only had one positive from hundreds of tests.
  - MPC Athletics will participate in Join the Pack Day to highlight athletics and kinesiology.
  - We have launched a Canvas Page for student academic support – with a grant secured from the Foundation. It has been quiet a success already! Students are really utilizing this tool. 75% of these students have used the grade book feature, so Coaches are able to see the students’ progress.
  - Beccie thanked Wendy for the success of Canvas page for students. Beccie asked Wendy if Jordan can do a quick presentation on this at our next meeting; Wendy said she thought he would be happy to do so.
6. Planning for Next & Future Fundraising Plans (Committee)
  - The committee discussed possibilities and ideas for our next Booster Virtual event.
  - Our next event will be in mid- to late-June, with pending planning to set the date.

- We will engage student-athletes in fun competitive games (either livestreamed during the event or videoed in advance and debuted at the event)
- We will involve current students, alumni, and new recruits, all of whom will be encouraged to invite family and friends.
- Spectators will be able to participate/cheer for the athletes via zoom
- We will present the Cutino awardees and invite some previous awardees (as well as the Cutino family)

7. Announcements:

- Next meeting will be determined by Doodle Poll and emailed to the group.

8. Meeting adjourned by Nate Steen in lieu of Stephan Lins at 09:58 a.m.
