5. Updates Regarding MPC Athletics (Wendy Bates)
 - Wendy shared that we have a few updates regarding MPC Athletics. MPC Baseball ended the season with 13 and 7, so they played a total of 20 games.
 - Softball ended 13 and 6, so they got 19 games in.
 - Track and Field and Golf competed as well, and this wrapped up the special Spring Season with some Fall sports (changes due to Covid) and we are now preparing for Summer 2021.
 - Summer training starts on Monday, football will start a little later.
 - Also, we have great news, because of Jordan's great work and Booster Club and Foundation efforts with a grant application, we were able to secure another 100 hours to pay Jordan and stay over the summer as an Athletics Academic Counselor and this will help the department tremendously. So thank you Booster Committee and thank you Foundation!
 - Lastly, Jeff McCarter (Athletic Trainer) is retiring, so the department is going to start interviews next week for this position to have a replacement in place for the summer training sessions.
6. Planning for Upcoming Event (Committee)
 - Beccie shared that we had a great follow up session for the event planning. Beccie shared the outline with the group and the committee discussed details about the event on June 15th

- Beccie walked through the timeline document; the committee made suggestions and updates were made.
- We will involve current students, alumni, and new recruits, all of whom will be encouraged to invite family and friends.
- Spectators will be able to participate/cheer for the athletes via Zoom by voting. (By using the Poll function and the chat function)

7. Announcements:

- Next meeting will be determined by Doodle Poll and emailed to the group.
- Lydon had a comment about booster programs advertisement, to be added to our next meeting agenda.
- Next meeting should be after the event, early in July.
