Together with supporters like you, in 2023 we:

1. Provided financial assistance to more than 350 MPC students
2. Invested over \$1.5 million in students and educational programs
3. Established 14 new scholarships
4. Awarded 25 Faculty & Staff Advancement Awards that help maintain MPC's tradition of excellence

Thank you to all of you for being a part of this success!

As the year draws to a close, we would also like to give a special shout out to the MPC Foundation Board of Directors - and in particular, to our 2023 Board President, Stephan Lins, as well as Susie Boutonnet, Jean Hurd, and Lin Sullivan, who all completed their terms on the Board this year. Thank you for your service and above-and-beyond commitment to making higher education accessible for everyone in our community!

**Donate to Help Students Experience Internships!**

Thank you to everyone who is making it possible for students to gain valuable, hands-on work experience by contributing to the MPC Foundation through the [Monterey County Gives! campaign!](#)

Gifts to the campaign empower students to engage in internships at local non-profits and small businesses.

We appreciate gifts of ALL sizes, which are matched by MC Gives AND doubled by our Federal grant!

## Local Businesses Investing in Students

We are honored to acknowledge our Business Partners who support MPC students through their contributions to the MPC Foundation. Thank you for giving back to our local community!
